Santa Fe, NM 87505-6303

**Subject: Request for Certificate of Completion for Solid Waste Management
Unit 54-007(a)**

Dear Mr. Bearzi:

In accordance with the March 1, 2005, Compliance Order on Consent (Consent Order), Los Alamos National Laboratory and the Department of Energy are requesting a Certificate of Completion without controls for Solid Waste Management Unit (SWMU) 54-007(a). The report for this site was submitted to the New Mexico Environment Department before the effective date of the Consent Order; therefore, the report did not contain a request for a Certificate of Completion.

SWMU 54-007(a) has undergone corrective actions and the approval of no additional corrective actions for this SWMU was granted in your May 5, 2003, letter: *Re: Approval of Voluntary Corrective Action Completion Report for SWMU 54-007(a), (HWB-LANL-02-028)*. For your convenience, the approval letter is enclosed.

Please contact Linda Nonno at (505) 665-0725 (lnonno@lanl.gov) or Frank Bosiljevac (505) 845-5746 (fbosiljevac@doeal.gov) should you have any questions.

Sincerely,

Susan G. Stiger, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

George J. Rael, Assistant Manager
Department of Energy
Los Alamos Site Office
