**Subject: Periodic Monitoring Report Schedule**

Dear Mr. Bearzi:

The New Mexico Environment Department (NMED) approved the 2008 Interim Facility-wide Groundwater Monitoring Plan, which stated that periodic monitoring reports (PMRs) will be submitted on a quarterly basis. Discussions were held with your staff on November 5, 2007, regarding the content of the quarterly PMRs in 2008. At your staff's request, we are transmitting the attached table showing the watershed monitoring events that will be included in each quarterly PMR and their submittal dates to NMED.

If you have questions, please contact Ardyth Simmons at (505) 665-3935 (asimmons@lanl.gov) or Mat Johansen at (505) 665-5046 (mjohansen@doeal.gov).

Sincerely,

Susan G. Stiger, Associate Director  
Environmental Programs  
Los Alamos National Laboratory

Sincerely,

David R. Gregory, Project Director  
Environmental Operations
