**Subject: Submittal of Well R-12 Rehabilitation and Conversion Summary Report**

Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the "Well R-12 Rehabilitation and Conversion Summary Report."

All redevelopment and rehabilitation activities were completed, with the exception of installing the permanent sampling system, which is expected to arrive from the manufacturer today or early next week. Per discussions with your staff on November 5, 2007, we will submit a revision to the report, including an as-built diagram of the well, as soon as the sampling system is installed.

If you have questions, please contact Ardyth Simmons at (505) 665-3935 (asimmons@lanl.gov) or Mat Johansen at (505) 665-5046 (mjohansen@doeal.gov).

Sincerely,

Susan G. Stiger, Associate Director  
Environmental Programs  
Los Alamos National Laboratory

Sincerely,

David R. Gregory, Project Director  
Environmental Operations  
Los Alamos Site Office
