**Subject: Submittal of Well R-20 Rehabilitation and Conversion Summary Report**

Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the "Well R-20 Rehabilitation and Conversion Summary Report" as well as two copies of the video log DVD.

All redevelopment and rehabilitation activities were completed with the exception of the installation of the permanent sampling system, which is expected to arrive from the manufacturer sometime in January. Per discussions with your staff on November 5, we will submit a revision to the report, including an as-built diagram of the well, as soon as the sampling system is installed.

If you have questions, please contact Ardyth Simmons at (505) 665-3935 (asimmons@lanl.gov) or Mat Johansen at (505) 665-5046 (mjohansen@doeal.gov).

Sincerely,
