Subject: Submittal of the Well Completion Summary Fact Sheets for SCI-2

Dear Mr. Bearzi:

The fact sheets for intermediate depth well SCI-2 are attached. Though not required by the Compliance Order on Consent, the U. S. Department of Energy and Los Alamos National Laboratory (the Laboratory) are providing these fact sheets for informational purposes. Per the Laboratory's discussion with your staff on September 18, 2008, the Laboratory will submit well completion details for SCI-2 within the R-43 well completion report rather than in the Sandia Canyon investigation report.

If you have any questions, please contact Mark Everett at (505) 667-5931 (meverett@lanl.gov) or Nancy Werdel at (505) 665-3619 (nwerdel@doeal.gov).

Sincerely,

Susan G. Stiger, Associate Director
 Environmental Programs
 Los Alamos National Laboratory

Sincerely,

David R. Gregory, Project Director
 Environmental Operations
 Los Alamos Site Office
