Subject: Bayo Canyon Aggregate Area Strontium-90 Removal Field Implementation Plan

Dear Mr. Bearzi:

Enclosed please find a copy of the Bayo Canyon Aggregate Area Strontium-90 Removal Field Implementation Plan. In accordance with the U.S. Department of Energy policy and the Los Alamos National Laboratory (the Laboratory) letter dated August 19, 2008, we are voluntarily providing this information regarding cleanup of strontium-90 in former Technical Area 10 to the New Mexico Environment Department (NMED). Once this plan has been implemented, the Laboratory will voluntarily provide the results of the cleanup activities and confirmation sampling to NMED.

If you have any questions, please contact Becky Coel-Roback at (505) 665-5011 (becky_cr@lanl.gov) or Cheryl Rodriguez at (505) 665-5330 (crodriguez2@doeal.gov).

Sincerely,

Michael J. Graham, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

David R. Gregory, Project Director
Environmental Operations
Los Alamos Site Office
