Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the Investigation Work Plan for Lower Mortandad/Cedro Canyons Aggregate Area and the Historical Investigation Report for Lower Mortandad/Cedro Canyons Aggregate Area. The Lower Mortandad/Cedro Canyons Aggregate Area includes a total of four solid waste management units (SWMUs) and two areas of concern (AOCs) located in Technical Area 05. Of these six sites, one AOC has been previously investigated and requires no further investigation, and one AOC has been approved for no further action. Site descriptions, previous investigations, and analytical results for the four SWMUs are included in the historical investigation report. Proposed investigation activities at the four SWMUs are discussed in the investigation work plan.

If you have any questions, please contact Kent Rich at (505) 665-4272 (krich@lanl.gov) or Cheryl Rodriguez at (505) 605-5330 (crodriguez2@doeal.gov).
