Subject: Submittal of the Interim Assessment to Report Storm Damage to Sediment Control Structures and Monitoring Stations in Los Alamos/Pueblo Canyons

Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the Interim Assessment to Report Storm Damage to Sediment Control Structures and Monitoring Stations in Los Alamos/Pueblo Canyons.

Los Alamos and Pueblo Canyons were subject to a series of storm events during August 2010 that resulted in significant damage to some of the recently installed sediment control structures. This interim assessment report summarizes the impact of the storms and provides a schedule for repairing damage, as required by the September 7, 2010, letter from the New Mexico Environment Department.

If you have any questions, please contact Steve Veenis at (505) 667-0013 (veenis@lanl.gov) or Cheryl Rodriguez at (505) 665-5330 (crodriguez2@doeal.gov).

Sincerely,

Michael J. Graham, Associate Director
 Environmental Programs
 Los Alamos National Laboratory

Sincerely,

George J. Rael, Manager
 Environmental Projects Office
 Los Alamos Site Office
