Subject: Request for Extension for the Response to the Approval for the Stormwater Performance Monitoring in the Los Alamos/Pueblo Watershed during 2011

Dear Mr. Kieling:

This letter requests a 31-day extension to submit the response to the approval for the Stormwater Performance Monitoring in the Los Alamos/Pueblo Watershed during 2011, from April 30, 2012, to a new date of May 31, 2012. The extension request is based on the very short turnaround time (14 days) given to Los Alamos National Laboratory and the limited availability of resources needed to respond to the comments in the April 16, 2012, approval letter (HWB-LANL-12-010) from the New Mexico Environment Department.

If you have any questions, please contact Steve Veenis at (505) 667-0013(veen@lanl.gov) or Cheryl Rodriguez at (505) 665-5530 (cheryl.rodriguez@nnsa.doe.gov).

Sincerely,

Michael J. Graham, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

Peter Maggiore, Assistant Manager
