**Subject: Submittal of the Report on Polychlorinated Biphenyls in Precipitation and Stormwater within the Upper Rio Grande Watershed**

Dear Mr. Maggiore:

Enclosed please find the report Polychlorinated Biphenyls in Precipitation and Stormwater within the Upper Rio Grande Watershed. This report presents the results of monitoring conducted in 2009 and 2010 per the previously submitted data-quality objectives and sampling and analysis plan. The data and analysis presented herein have been compiled by Los Alamos National Laboratory in conjunction with the U.S. Department of Energy (DOE) and the New Mexico Environment Department-DOE Oversight Bureau.

If you have questions, please contact Steve Veenis at (505) 667-0013 (veenis@lanl.gov).

Sincerely,

  
Michael J. Graham, Associate Director  
Environmental Programs  
Los Alamos National Laboratory
