Subject: NPDES Permit No. NM0030759 – Resubmittal of Completion of Corrective Action for Twelve Site Monitoring Areas

Dear Ms. Johnsey:

The attached completion of corrective action packages for 12 site monitoring areas (SMA) previously submitted are attached with signed certification statements. Because of an inadvertent administrative error, the original submissions of the SMA packages lacked signed certification statements. The content of the original packages did not change.

The submittal packages are listed in Table 1, along with a column showing the original submittal date. Please replace the original submittal packages, sent by certified mail on November 29, 2012, and March 7, 2013, with the attached packages.

A link to this certified document can be accessed at the following website:

If you have any questions, please contact Steve Veenis at (505) 667-0013 (veenis@lanl.gov) or David Rhodes at (505) 665-5325 (david.rhodes@nnsa.doe.gov).
