Dear Messrs. Maggiore and Graham:

The New Mexico Environment Department (NMED) is in receipt of the United States Department of Energy (DOE) and Los Alamos National Security, L.L.C.'s (collectively, the Permittees) document entitled *Request for Extension to Submit the Phase II Investigation Report for Upper Cañada del Buey Aggregate Area* (Report) dated June 1, 2012 and referenced by EP2012-0129.

The Permittees request the extension to submit the Report due to the need to focus on removal of transuranic (TRU) waste from Technical Area (TA) 54 to the Waste Isolation Pilot Plant, located in Eddy County, New Mexico.

The submittal date for the Report has been changed from December 28, 2012 to **December 28, 2014**, as requested. The Permittees must notify NMED, within 30 days of receipt of such information, should funds become available in the future that allow for the Report to be submitted prior to December 28, 2014.
