**RE: MODIFICATION TO MAY 19, 2014, ADMINISTRATIVE ORDER
LOS ALAMOS NATIONAL LABORATORY
EPA ID#NM0890010515**

Dear Mr. McMillan and Ms. Davis Lebak:

On May 19, 2014, the New Mexico Environment Department (“NMED”) issued an Administrative Order (“Order”) to the Department of Energy (DOE) and Los Alamos National Security, L.L.C. (“LANS”) (collectively, the “Permittees”). On July 10, 2014, NMED modified Paragraph 19 of the Order to allow for twice weekly, instead of daily, technical calls between NMED and the Permittees. That letter also directed the Permittees to continue providing daily written email updates.

This letter hereby modifies Paragraph 19 of the Order to reduce the frequency of the technical calls between NMED and the Permittees as well as the email updates. Effective immediately, the technical calls shall be held at 10:00 am every other Thursday; the next scheduled technical call shall be Thursday, May 14, 2015, and then shall continue every other Thursday after that. The Permittees shall provide weekly updates in written email submissions to NMED on Thursdays. All other provisions and requirements of the Order, as modified, shall remain in full force and effect.
