**RE: FEE ASSESSMENT
CLASS 1 PERMIT MODIFICATION
LOS ALAMOS NATIONAL LABORATORY
EPA ID# NM 0890010515
LANL-15-024**

Dear Mr. McMillan and Ms. Davis Lebak:

The New Mexico Environment Department (NMED) has received a Class 1 Permit Modification Request (PMR) entitled *Transmittal of Class 1 Permit Modification to update a Figure in Permit Attachment G.18 of the Los Alamos National Laboratory Hazardous Waste Facility Permit [Permit] EPA ID No. NM0890010515* that requests an update to Figure G.18-1 in Permit Attachment G.18 of the Permit. The PMR, dated June 4, 2015 and referenced by ENV-DO-15-0144 and LA-UR-15-20268, was submitted by the United States Department of Energy and Los Alamos National Security, LLC (collectively the Permittees). The NMED has reviewed the submittal and hereby deems it administratively complete.

The modifications identified above were put into effect as requested by the Permittees under the conditions specified in 20.4.1.900 NMAC (incorporating 40 CFR §270.42(a)(1)). NMED recently incorporated this Class 1 modification into the LANL Permit.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice for the Class 1 Permit Modification dated August 3, 2015, is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental

permit fees to the Permittees for State fiscal year 2015, and the Permittees transmitted payment of these fees, the fee invoice has been effectively paid under these supplemental fees.

If you have any questions regarding this correspondence, please contact Dave Cobrain of my staff at 505-476-6055.

Sincerely,

John E. Kieling
Chief
Hazardous Waste Bureau
