**Subject: Request to Defer Submittal of the Phase II Investigation Report for Threemile Canyon Aggregate Area**

Dear Mr. Kieling:

This letter requests a deferral of the August 31, 2015, date to submit the Phase II Investigation Report for Threemile Canyon Aggregate Area so the U.S. Department of Energy (DOE) and Los Alamos National Security, LLC (LANS) can submit a supplemental investigation report (SIR) for this aggregate area. The SIR is anticipated to be submitted to the New Mexico Environment Department in February 2016. The conclusions of the SIR will likely change the recommendations for further investigation of many of the sites in Threemile Canyon Aggregate Area and, therefore, affect the scope of the Phase II investigation. The SIR will include a recommendation for submitting a revised Phase II investigation work plan, which will identify a new date for the Phase II investigation report.

If you have any questions, please contact Kent Rich at (505) 665-4272 (krich@lanl.gov) or David Rhodes at (505) 665-5325 (david.rhodes@em.doe.gov).

Sincerely,

Alison M. Dorries, Division Leader  
 Environmental Protection Division  
 Los Alamos National Laboratory

Sincerely,

Christine Gelles, Acting Manager  
 Environmental Management  
 Los Alamos Field Office
