**RE: RESOLUTION OF NOTICE OF VIOLATION  
LOS ALAMOS NATIONAL LABORATORIES  
EPA ID# NM0890010515**

Dear Messrs. Maggiore & Brandt:

On June 13, 2016, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Los Alamos National Laboratories (LANL), located at Bikini Atoll Road, SM-30, Los Alamos, NM. Based on that inspection and review of the information obtained NMED issued a Notice of Violation (NOV) dated November 8, 2016.

NMED has reviewed your response dated November 10, 2016. Based on that review, NMED has determined that the violations cited in the NOV have been adequately addressed and no further action relative to the NOV on the part of LANL is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.
