**RE: REQUEST FOR EXTENSION OF TIME TO RESPOND TO REQUEST FOR
INFORMATION
LOS ALAMOS NATIONAL LABORATORIES
EPA ID# NM0890010515**

Dear Messrs. Maggiore & Mairson:

On June 29, 2018, the New Mexico Environment Department (“NMED”) issued a Request for Information (“RFI”) to Los Alamos National Laboratories (“LANL”), located at Bikini Atoll Road, SM-30, Los Alamos, New Mexico (“Facility” or “Property”). LANL responded to the RFI on July 26, 2018 to request an extension to the RFI. NMED has reviewed the request and is granting an extension to August 31, 2018.

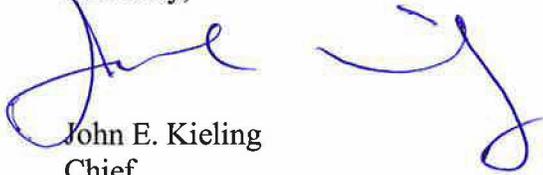

Please be aware that the extension does not relieve LANL of its duties related to their Permit, nor does it create a waiver of NMED’s enforcement authority.

Please feel free to contact me if you have any questions, or if you would like to discuss this correspondence further. We appreciate LANL's efforts to communicate with NMED regarding this matter.
