HWB-LANL-19-033**

Dear Messrs. Goodrum and Torres:

The New Mexico Environment Department (NMED) has received the United States Department of Energy (DOE) and Triad National Security, LLC (Triad), collectively referred to as the Permittees, *Temporary Authorization Request for Waste Treatment, Storage, and Repacking, Los Alamos Hazardous Waste Facility Permit (Request)*, dated and received June 18, 2019, and referenced by EPC-DO-19-176/LA-UR-19-24513.

NMED has done a preliminary review of the Request and has determined that it is administratively complete.

NMED has accepted the submittal for review in accordance with the New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC. Since, there is no fee category listed in 20.4.2 NMAC for a temporary authorization request, NMED has determined that the level of effort involved in reviewing this Request is equal to a Class 1 Permit

Modification with prior approval. If the Permittees are not able to meet the 180-day deadline specified in 40 Code of Federal Regulation 270.42(e)(2)(i)(2), the Permittees would be required to submit a Class 2 Permit Modification Request for these activities. In that case, NMED would assess a fee for a Class 2 Modification and would credit the amount already paid for this Request.

The fee invoice is attached to this letter. If you disagree with the fee assessed, you may notify Mr. Brian Holton in writing, at 2905 Rodeo Park Drive East, Building 1, Santa Fe, New Mexico 87505-6313, of the intent to appeal the invoice under the provisions of 20.4.2.302.A NMAC.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.F NMAC require the assessment of fees. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED currently maintains a supplemental fee agreement with the Permittees and the Permittees transmitted payment of supplemental fees, the fee invoice has been effectively paid under these supplemental fees.

Should you have any questions or comments, please contact Siona Briley at (505) 476-6049.

Sincerely,

Neelam Dhawan  
LANL Group Manager  
Hazardous Waste Bureau
