Subject: Request for Central Accumulation Area Extension at the Los Alamos National Laboratory, EPA ID #NM0890010515

Dear Mr. Pierard:

On behalf of the Department of Energy, National Nuclear Security Administration (DOE, NNSA) Los Alamos Field Office, Triad National Security, LLC requests a 30-day extension per 40 CFR 262.17(b) for the storage of one container currently located at the Central Accumulation Area at Technical Area 3, Building 66 (Site ID #5034). The ninety-day period ends March 9, 2020.

Triad is in the process of obtaining a contract with WCS, a disposal facility; however, the contract is not yet approved. The container #W824675 is composed of mixed waste containing silver.

If you have questions or comments concerning this submittal, please contact Patrick L. Padilla at (505) 667-3932.

Sincerely,
