**Subject: Demolition Notification for Quarter Ending March 30, 2021, Hazardous Waste Facility Permit Los Alamos National Laboratory, EPA ID# NM0890010515**

Dear Mr. Pierard:

The United States Department of Energy (DOE) and its field offices, the National Nuclear Security Administration Los Alamos Field Office (NA-LA), the Environmental Management Los Alamos Field Office (EM-LA), with Triad National Security, LLC (Triad), and Newport News Nuclear BWXT-Los Alamos, LLC (N3B) collectively, the Permittees, are submitting a notice of demolition activities for the quarter ending March 30, 2021, in accordance with Permit Section 1.17 of the Los Alamos National Laboratory (LANL) Hazardous Waste Facility Permit (Permit) to the New Mexico Environment Department Hazardous Waste Bureau (NMED-HWB).

Enclosures 1 and 2 "Demolition Notification – January 1, 2021 through March 30, 2021, List of Buildings and Attachment of Hazardous Materials Descriptions" from NA-LA/Triad and EM-LA/N3B, respectively, attached to this letter, satisfy the reporting requirements as outlined in Section 1.17.1 of the Permit. The requirement at Section 1.17.1(7) of the Permit identifying buildings or fixed structures previously identified and not demolished is not relevant at this time. Each enclosure also contains a signed certification from the responsible Co-Permittee.

The Permittees understand that investigations may not be complete at Solid Waste Management Units/Areas of Concern (SWMUs/AOCs) located within 50 feet of the buildings proposed for demolition. The Permittees will ensure that the sampling locations and depths proposed in the approved work plans for the SWMUs/AOCs identified are not affected by the demolition activities.

In the case of adverse impacts on the SWMUs/AOCs identified in this notification, demolition activities will be documented so that the impacts are identified and evaluated. If a demolition completion report is prepared for buildings that the NMED-HWB has identified in writing in accordance with Section 1.17.3 of the Permit, the Permittees will provide a copy of the report to the NMED-HWB within 30 days after the report is completed.
