Subject: Request for Extension to Respond to the November 24, 2014, NPDES Compliance Evaluation Inspection Report for the Los Alamos National Laboratory, Minor, Individual Permit; SIC 9711 (NM0030759)

Dear Mr. Yurdin and Mr. Spencer:

The U.S. Department of Energy (DOE) and Los Alamos National Security, LLC (DOE/LANS) received the November 24, 2014, National Pollutant Discharge Elimination System Compliance Evaluation Inspection Report (CEI Report) on December 1, 2014. DOE/ LANS are currently reviewing the CEI Report. As discussed in the November 5, 2014, meeting with your staff regarding the executive summary of the CEI Report, we are requesting a 60-day extension to the December 31, 2014, deadline to allow DOE/LANS to complete our review. The primary basis for this request is the time it will take to thoroughly review this lengthy report. A secondary reason for this request is that the current 30-day review period overlaps the Christmas and New Year holidays.

If you have any questions, please contact Terrill Lemke at (505) 665-2397 (tlemke@lanl.gov) or Mike Saladen at (505) 665-6085 (saladen@lanl.gov).

Sincerely,

Anthony R. Grieggs, Group Leader
Environment, Safety, and Health
Environmental Compliance Programs
Los Alamos National Laboratory

Sincerely,

David Rhodes, Federal Project Director
Environmental Projects Office
Los Alamos Field Office
